Dear Mr Upson

**Naroghid Wind Farm Pty Ltd/Energy generation and supply/Cobden/VIC/
Naroghid Wind Farm (EPBC Reference: 2004/1542)**

Thank you for the above referral, received on 26 May 2004, for decision whether or not approval is needed under Chapter 4 of the *Environment Protection and Biodiversity Conservation Act 1999* (EPBC Act).

The referral has now been considered under the EPBC Act and I have decided that the action is not a controlled action. Approval is therefore not needed under Part 9 of the Act before the action can proceed.

Please note that this decision only relates to the potential for significant impact on the specific matters of *national* environmental significance protected by the Australian Government under the EPBC Act. There may be a need for separate State or Local Government environmental assessment and approval to address potential impacts on State, regional or local environmental values.

A copy of the document recording my decision is attached for your information.

Yours sincerely

Mark Flanigan
Assistant Secretary
